

VERNES/SKAGEN

Stage plot:

Teck-rider :

Our backline ;

2 x 4-10+1-15 Hiwatt Fane load Cab's
4 x 4-12 Hiwatt Fane load Cab's
1 x Sunno))) 300w amp
2 x Hiwatt 100 custome amp's
1 x Hiwatt 200 custome amp.

If we bring our own backline make sure to have lots of power outlets on stage.
Table 1 and 2 should be approx 1,5m length 1 m high.
Mic's for the cab's if there is an additional sound system + DI boxes.

If the venue supplies the backline we prefer a bacline similar to our own or :

4 x 8-10" or 8-12" cab's Ampeg or simmilar.
4 x 300 w amp's Ampeg or similar.
5 x speaker cables for the amp's and cab's.
